Highway Infrastructure Limited Adds Rs. 24.46 Crore Toll Operations Contract to Its Growing Order Book

Madhya Pradesh, India 01 October 2026: Highway Infrastructure Limited (HIL) is an integrated infrastructure platform with established capabilities across Tolling, EPC, and Real Estate, is pleased to announce that it has received a **Letter of Acceptance (LOA) from NHAI for the operation and collection of user fees at the Velanchettiur Fee Plaza in Tamil Nadu. The contract carries a value of Rs. 24.46 crore and was awarded on September 30, 2026**

The mandate covers the operation of the Velanchettiur Fee Plaza located on the four-lane Karur-Dindigul section of NH-7, one of the key highway corridors in Tamil Nadu. The scope of work includes toll fee collection as well as upkeep and maintenance of adjacent toilet facilities, including replenishment of consumables.

The project is scheduled to be executed over a period of **90 days**. The contract further strengthens HIL's footprint in Southern India and aligns with its strategy of expanding across high-traffic national highway corridors. The growing portfolio of toll operation mandates highlights the Company's strong credentials and reinforces its positioning in the toll management segment.

Speaking on the development, Mr. Arun Kumar Jain, Managing Director, Highway Infrastructure Limited said: "We are pleased to receive the Rs. 24.46 crore contract from NHAI for the operation of the Velanchettiur Fee Plaza in Tamil Nadu. This order further expands our tollway collection portfolio and strengthens our presence across key national highway corridors. Continued success in securing orders is enhancing our medium-term revenue visibility and underscores our proven execution capabilities. With a healthy bidding pipeline and growing opportunities across the highway infrastructure sector, we remain well positioned to expand our order book, drive sustainable growth, and create long-term value for stakeholders."

About Highway Infrastructure Limited

Incorporated in 2006, Highway Infrastructure Ltd is a leading infrastructure development and management company with diversified operations across tollways collection, EPC projects, and real estate. Operating across 11 states and 1 Union Territory, the company leverages advanced technology for efficient toll operations and high-quality project execution. Guided by an experienced leadership team led by Mr. Arun Kumar Jain, Highway Infrastructure has built a strong track record of project delivery and operational excellence. With a robust order book and a growing project pipeline, the company is strategically positioned to capitalize on emerging opportunities in India's infrastructure and urban transport sectors.
