Indo Borax strengthens operational synergies with Kronox Lab Sciences appoints Suresh Kalra as Managing Director and CEO

- **Indo Borax & Chemicals completed its acquisition of 64.26% stake in Kronox Lab Sciences on September 29, with the erstwhile promoters retaining 9.95% stake**
- **New Board constituted with three executive directors and three independent directors, bringing experience across chemicals, manufacturing, finance, banking, legal and corporate governance**

Mumbai, October 01, 2026: Strengthening operational synergies in the recently acquired specialty chemicals company Kronox Lab Sciences Limited, Indo Borax has appointed Mr. Suresh Kalra as Managing Director and Chief Executive Officer and Mr. Shashikant Bharuka as Chief Financial Officer and Key Managerial Personnel at Kronox.

The leadership transition follows the completion of the acquisition of a 64.26% stake in Kronox Lab Sciences on September 29, by Indo Borax & Chemicals Limited recently. The move marks a new phase in the Company's growth following the completion of the change in shareholding.

Mr. Kalra has been appointed as Managing Director and CEO for a period of five years. With more than 25 years of leadership experience in the chemicals industry, he brings extensive expertise across global operations, P&L management, manufacturing, strategic planning and international business expansion across India, the US, Middle East and Asia Pacific.

Commenting on his appointment, Suresh Kalra, Managing Director & CEO, Kronox Lab Sciences Ltd, said, "Kronox has built a strong foundation in high-purity specialty chemicals, supported by its manufacturing capabilities, technical expertise and growing presence across domestic and international markets. I am excited to join the Company at this important juncture and look forward to working closely with the Board and the team to build on this foundation. Our focus will be on strengthening operations, expanding our capabilities, deepening customer relationships and pursuing sustainable growth opportunities across India and global markets."

The new Board brings together experience across chemicals and manufacturing, financial management, banking, legal and corporate governance. The Board has also reconstituted the Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee.

About Kronox Lab Sciences Ltd

Incorporated in 2008 and headquartered at Vadodara, Gujarat, Kronox Lab Sciences Limited manufactures high-purity specialty fine chemicals, including excipients, reagents, buffers and intermediates, for the pharmaceutical, nutraceutical, biotechnology, agrochemical, scientific research, laboratory testing, metallurgy and personal care industries. The Company operates multiple manufacturing units in Gujarat and markets a portfolio of more than 185 products across domestic and export markets. The Company reported revenue of approximately INR 101 crore and profit after tax of approximately INR 28 crore for FY2026.

About Indo Borax & Chemicals Ltd.

Indo Borax & Chemicals Ltd., established in 1980, is a manufacturer of boron-based chemicals and a producer of Boric Acid. The company operates manufacturing facilities at Pithampur, Madhya Pradesh, producing Boric Acid, Disodium Octaborate Tetrahydrate (D.O.T.) and Borax. Indo Borax also manufactures Pharma Grade Boric Acid as per the Indian Pharmacopoeia and was among the first companies in India to receive a BIS licence for manufacturing Technical Grade Boric Acid.
