at 5.00 P.M. (IST). During this period the shareholders of the Company hold shares either in physical form or in dematerialized form, as on the cut-off date i.e. Friday, September 25, 2026, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

Pursuant to Regulation 44 of the SEBI LODR read with SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 and the SEBI Master Circular No. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholder's resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) AND 110 OF THE COMPANIES ACT, 2013 AND ADDITIONAL INFORMATION AS REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND CIRCULARS ISSUED THEREUNDER

Item No. 1

The Company presently holds 32,44,800 shares of common stock of Lee Enterprises Inc. ("Lee"), a corporation incorporated under the laws of the State of Delaware, United States of America, and listed on the Nasdaq Global Select Market.

The Company and/or its wholly-owned subsidiary(ies) may avail loans, credit facilities, acquisition financing and/or other financial assistance from banks, financial institutions, funds and lenders in India or outside India. For such financing, the lenders and/or financing parties may require security over all or any part of the common stock of Lee. The security may cover stock held by the Company, directly or indirectly, and stock proposed to be acquired by the Company, directly or through its wholly-owned subsidiary(ies). It may take the form of mortgage(s), charge(s), pledge(s), hypothecation(s), lien(s), security interest(s), assignment(s) by way of security and/or other encumbrance(s). The security would secure repayment and discharge of the financial obligations under such financing arrangements. It would be created in such form and manner, and on such terms and conditions, as the Board may determine in the best interests of the Company. The Board may also consider disposing of the Company's holding in Lee. This covers both the present holding and any additional shares acquired, directly or through wholly-owned subsidiary(ies), whether incorporated or to be incorporated, in India or outside India. Any such disposal may take place under the financing arrangements referred to above, including on enforcement of any security, or in any other manner the Board considers fit.

Under Explanation (i) to Section 180(1)(a) of the Companies Act, 2013 (the "Act"), an "undertaking" is one in which the investment of the company exceeds twenty per cent of its net worth as per the audited balance sheet of the preceding financial year, or one which generates twenty per cent of the total income of the company during the previous financial year. The Company's investment in Lee exceeds this threshold, so it constitutes an "undertaking" for the purposes of Section 180(1)(a) of the Act. The creation of any encumbrance over, or any sale, transfer or disposal of, this investment therefore requires the approval of the Members by way of a special resolution.

Since the investment is an undertaking under Section 180(1)(a) of the Act, any sale, transfer or disposal of it also falls within Regulation 37A of the SEBI Listing Regulations. This includes any transfer arising from the enforcement of a pledge, security interest, or through any other mode of transfer whatsoever, as may be deemed fit. Accordingly, this special resolution will be acted upon only if the votes cast by public shareholders in favour of the resolution exceed the votes cast by public shareholders against it. The Scrutinizer will report the votes cast by public shareholders separately.

The approval sought is an enabling approval only. As on the date of this Notice, the Board has not approved any proposal to sell, transfer, dispose of or otherwise divest the Company's investment in Lee. The primary purpose of the approval is to allow security to be created over the investment for the financing arrangements referred to above. The approval also gives the Company the flexibility to raise financing on commercially appropriate terms and to implement its strategy for this investment, including increasing its shareholding in Lee. It further allows the Company to realise value from the investment, in part or in full, including by divesting its stake in Lee, if the Board considers this to be in the best interests of the Company, subject to applicable laws. If any disposal takes place, the proceeds shall be used first to repay the borrowings and other obligations secured by the investment. Any balance shall be used for the Company's business, strategic initiatives and general corporate purposes, in compliance with applicable laws.

Where the security relates to borrowings availed by a wholly-owned subsidiary of the Company, it shall be provided in compliance with Sections 185 and 186 of the Act. Under Section 185(3)(c) of the Act, Sections 185(1) and (2) do not apply to any security provided by a holding company in respect of a loan made to its wholly-owned subsidiary. The proviso to Section 185(3) requires that the loan be utilised by the wholly-owned subsidiary for its principal business activities. The second proviso to Section 186(3) requires the details of such security to be disclosed in the financial statements, as provided under Section 186(4). The Company shall maintain adequate end-use monitoring and documentation to evidence such utilisation. It shall also disclose the particulars of any such loan, guarantee or security in its financial statements, as required under Section 186(4) of the Act.
