Subject: Update on commercial production at Manufacturing Facility-V

Dear Sir/ Ma'am,

This is in continuation of our intimation dated January 31, 2026, wherein the Company had informed that the commencement of commercial production / commercial operations at Manufacturing Facility-V at Plot No. 927, Sector-68, IMT Faridabad, Haryana, which was delayed due to the implementation of GRAP standards in the Delhi-NCR region, was expected before the end of Q2 of FY 2027.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the commencement of commercial production at Manufacturing Facility-V has been further delayed on account of certain operational and procedural matters taking longer than anticipated. However, we are happy to inform that the Company has received the Occupation Certificate in respect of Manufacturing Facility-V on September 30, 2026. Thereby, the commercial production is now expected by the end of October 2026 or earlier, subject to receipt of requisite approvals. The date of commencement of commercial production will be intimated accordingly in due course.

This information will also be available on the website of the Company at www.studds.com under Investor Relations' Section.

This is submitted for your information & records.

Thanking You,
