Sir,

**SUB: DISCLOSURE UNDER REGULATION 30 – INTIMATION OF RECEIPT OF ORDER**

The Company is pleased to announce receipt of a prestigious order, valued at approximately ₹192 crores, pursuant to order secured by its subsidiary, TDPS USA, from a leading Multinational Corporation. The order is for the supply of TDPS design 2-Pole generators, for gas turbine applications and to be installed in the United States of America, with deliveries scheduled between August 2027 and January 2028.

The order marks a significant foray by TDPS into the global 2-Pole generator market with its own in-house design, further strengthening the Company's presence in this segment.

Additionally, we confirm that none of the promoters/promoter group/group companies have any interest in the multinational company that has awarded the order. The order has been awarded by a Multinational Corporation that is not a related party of either TDPS USA or the Company and accordingly does not fall within the purview of related party transactions.

Kindly take the above on record.

Thanking You  
For **TD Power Systems Limited**
