Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding enhancement of tower manufacturing capacity

Dear Sir / Madam,

Pursuant to the Regulation 30 read with Para B of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and in continuation of the earlier intimations made on the subject dated May 23, 2025 and April 21, 2026, we would like to inform you that the brownfield expansion for Tower manufacturing at our Silvassa location has been partially completed to the extent of 12,000 MTPA and with this, the company's Tower manufacturing capacity has increased from 172,400 MTPA to 184,400 MTPA.

This expansion will contribute to helping us further strengthen our manufacturing base which will in turn assist in executing our large order book and target growth.

We are pleased to enclose herewith the press release titled "**Transrail increases its Tower manufacturing capacity by another 12,000 MTPA**" pursuant to point no. 18 of Para A of Part A of Schedule III of regulation 30 of the Listing Regulations for your information & records.

Transrail increases its Tower Manufacturing capacity by another 12,000 MTPA

Revised total capacity stands at 184,400 MTPA

Mumbai, September 30, 2026: Transrail Lighting Limited (BSE: 544317, NSE: TRANSRAILL), one of the leading EPC players in the Transmission & Distribution (T&D) sector, has further increased its Tower Manufacturing capacity by 12,000 MTPA (Metric Tonnes Per Annum) as part of its brownfield expansion at Silvassa location.

With this expansion the company's Tower manufacturing capacity has increased from 172,400 MTPA to 184,400 MTPA. Also important to note is that apart from this current increase, the company is further in the process of enhancing its tower capacity as part of its phase 2 expansion, which once achieved will take the overall capacity of the Company beyond 200,000 MTPA.

*Commenting on the development, **Mr. Randeep Narang, MD & CEO, stated,** "This expansion will contribute to helping us further strengthen our manufacturing base which will in turn assist in executing our large order book and target growth. We continue to further enhance our tower manufacturing capacity and will take it beyond 200,000 MTPA once the planned capex program is fully completed."*
