- **Signed a large multi-year annuity contract with a global enterprise software leader**
- **Acquired Bluewater Learning, a leading HCM technology consulting and implementation specialist**

New Delhi, October 29, 2026: NIIT Learning Systems Limited (NSE: NIITMTS, BSE: 543952), a global leader in AI-powered learning and managed learning services, reported its consolidated financial results for the second quarter of the financial year 2026-2027 ended September 30, 2026.

In Q2 FY 2027, the company recorded a consolidated Revenue of Rs. 528.6 crore, up 11.1% YoY. EBITDA was at Rs. 87.4 crore, while EBITDA Margin stood at 16.5%. Profit After Tax was Rs. 37.3 crore. EPS for the quarter stood at Rs. 2.7.

NIIT Learning's AI-enabled learning services and solutions contributed 17% of the revenue in Q2, up 22% QoQ, with existing and new clients engaging with NIIT for operating model redesign and AI-powered learning simulations, coaching, and content development.

NIIT Learning acquired 100% of Bluewater Learning, LLC ("Bluewater"), a Plano, Texas-based HCM technology consulting and implementation partner, through its wholly owned subsidiary, NIIT (USA), Inc., for an aggregate consideration of up to USD 17.6 million, including performance-based earnouts over five years. Founded in 2003, Bluewater has built significant partnerships with leading HCM platforms, including Cornerstone and Docebo.

The acquisition adds HCM consulting, implementation and integration expertise to NIIT Learning's award-winning AI-powered Managed Learning Services capabilities.

In Q2, the company signed 4 new long-term annuity clients during the quarter, including a large multi-year annuity contract, with a global enterprise software company; raising its revenue visibility to USD 510 million, up 25% YoY. Additionally, the company expanded the scope of 2 existing contracts and renewed 3 contracts during the quarter, retaining its industry-leading renewal rate. The long-term annuity client tally at the end of the quarter stood at 116.

Vijay K. Thadani, Co-founder, NIIT and Vice Chairman & Managing Director, NIIT Learning said, "Our AI-enabled learning platform is redefining how business leaders view corporate L&D. Today, clients are able to build capability and performance at scale through our AI-powered coaching, simulations and synthetic apprenticeships. Importantly, by delivering measurable business outcomes, we are

transforming training from a cost center to a core value driver and catching the attention of C-suite leaders. This structural change bodes well for our future growth."

Sapnesh Lalla, CEO and Executive Director, NIIT Learning, said, "Our strategic investments in new capabilities, including AI and expanded reach, through focused organic and inorganic investments are enabling us to help our clients transform into an AI-enabled L&D enterprise. Bluewater Learning joining the NIIT family will strengthen NIIT Learning's HCM learning technology consulting and implementation capability, and further our AI-led transformation capabilities."
