Limited review Report on unaudited standalone financial results of Khaitan (India) Limited for the quarter and half year ended 30th September 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015, as amended.

Review report to
The Board of Directors
Khaitan (India) Limited
46, J. L. Nehru Road
Kolkata-700071

1. We have reviewed the accompanying statement of unaudited standalone financial results of Khaitan (India) Limited (the Company) for the quarter and half year ended 30th September 2026, (the Statement), prepared by the management pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).

2. This statement, which is the responsibility of the company's management has been reviewed and approved by the company's Board of Directors at the meeting held on 2nd November, 2026, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS 34) as prescribed under section 133 of Companies Act, 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Standalone Statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. Our review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. **Basis for Qualified Conclusion**
   Reference is invited to Note No. 4 to the financial results regarding the suspension of production activities of sugar mill of the company for a long time. In our opinion, the reported balance of assets, liabilities, amount of expenses in so far as relating to the said Sugar mill should have been recognized and disclosed as under Discontinued Operations. However, the management is exploring various options to come out from the above situations and hopeful that some positive development may take place in near future. Therefore, the company has not Considered the business of sugar division as discontinued operations.

5. **Qualified Conclusion**
   Based on our Review, with the exception of the matter described in the paragraph 3 above, and for reasons stated in paragraphs 4, nothing has come to our attention that causes us to believe that the accompanying unaudited statement of financial results, read with the notes thereon, prepared

accordance with aforesaid Indian Accounting Standard (Ind AS) and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosures Requirements) Regulation, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. **Emphasis of Matter**

Without modifying our opinion attention is drawn to following matters:
Reference is invited to Note No. 6 to financial results, balances of trade receivables, trade payables, loans and advances taken or given, claims recoverable and fixed deposits with banks are subject to reconciliation and confirmation.

Other Matters:

Attention is drawn to the fact that the figures of the quarter ended 30th September 2026 is the balancing figures between unaudited figures in respect of the half year ended 30th September 2026 and the unaudited published figures for the quarter ended 30th June 2026, being the date of the end of the first quarter of the said financial year which were subjected to limited review.

Limited review Report on unaudited consolidated financial results of Khaitan (India) Limited for the quarter and half year ended 30th September 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and disclosure Requirements) Regulations, 2015, as amended.

Review report to the Board of Directors of Khaitan (India) Limited

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial results of Khaitan (India) Limited (the Parent) and its subsidiaries (the parent and its subsidiaries together referred to as "the Group") for the quarter and half year ended 30th September 2026, (the Statement), prepared by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the Listing Regulations).

2. This statement, which is the responsibility of the Parent's management has been reviewed and approved by the Parent's Board of Directors at the meeting held on 2nd November, 2026, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS 34) as prescribed under section 133 of Companies Act, 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Standalone Statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. Our review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the of the following entities:
   Parent Company: Khaitan (India) Limited.
   Subsidiaries: Khaitan Fan and Appliances Ltd. and Khaitan Strategies Ltd.

   Our conclusion in respect of the financial result in so far as it relates to the amounts and disclosures included in respect of the subsidiaries is based solely on unreviewed management certified financial information/results. According to the information and explanations given to us by the Management of parent company, those interim financial results are not material to the Group.

5. **Basis for Qualified Conclusion**
   Reference is invited to Note No. 4 to the financial results regarding the suspension of production activities of sugar mill of the company for a long time. In our opinion, the reported balance of assets, liabilities, amount of expenses in so far as relating to the said Sugar mill should have been recognized and disclosed as under

Discontinued Operations. However, the management is exploring various options to come out from the above situations and hopeful that some positive development may take place in near future. Therefore, the company has not Considered the business of sugar division as discontinued operations.

6. **Qualified Conclusion**
Based on our Review, with the exception of the matter described in the paragraph 3 above, and for reasons stated in paragraphs 5, nothing has come to our attention that causes us to believe that the accompanying unaudited consolidated statement of financial results, read with the notes thereon, prepared in accordance with aforesaid Indian Accounting Standard (Ind AS) and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosures Requirements) Regulation, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. **Emphasis of Matter**
Without modifying our opinion, attention is drawn to following matters:
Reference is invited to Note No. 7 to financial results, balances of trade receivables, trade payables, loans and advances taken or given, claims recoverable and fixed deposits with banks are subject to reconciliation and confirmation.

Other Matters:

Attention is drawn to the fact that the figures of the quarter ended 30th September 2026 is the balancing figures between unaudited figures in respect of the half year ended 30th September 2026 and the unaudited published figures for the quarter ended 30th June 2026, being the date of the end of the first quarter of the said financial year which were subjected to limited review.
