Gurugram, India, 17 October 2026: Le Travenues Technology Limited (NSE: IXIGO, BSE: 544192), India's leading AI-based travel platform, today announced its standalone and consolidated financial results for the quarter ended September 30, 2026.

ixigo delivered resilient growth in Q2 FY27, supported by its diversified multimodal travel business. **Gross Transaction Value (GTV) grew 22% YoY to Rs. 5,304.47 Cr**, while **Revenue from Operations increased 13% YoY to Rs. 320.96 Cr**. Contribution Margin rose 14% YoY to Rs. 124.86 Cr.

This is the first quarter ixigo has started disclosing Hotels as a separate line of business. Hotels has emerged as ixigo's fastest-growing line of business with GTV growth of +159% YoY, Revenue growth of +528%, with a 12%+ gross take rate. 86%+ of bookings came from ixigo's own captive users. The business crossed approximately 4.7 lakh room nights in Q2 FY27, making it one of the fastest growing hotel OTAs in India. Hotel inventory stood at 70,000+ properties in India, including 12,000+ directly contracted properties across 1,100 towns.

Flight and Bus led the quarter with GTV growth of **37% and 32% YoY**, respectively. ixigo expanded its distribution by powering train bookings on Uber, alongside its existing bus integration, while food delivery through Zoop and Swiggy now services over 290 railway stations. Higher airfares and limited availability of confirmed train tickets continued to support intercity bus demand growth, complemented by investments in customer experience and deeper supply expansion. AbhiBus further strengthened its offering with the launch of Women Zone, a booking option for solo women travellers.

Hotels: ixigo's Next Growth Engine

- Crossed **5000 Hotel room nights per day, growing 3.9x YoY**
- **Hotels GTV grew 2.6x YoY to Rs. 111.34 Cr in Q2 FY27**, including Brevistay.
- **Hotels Revenue grew over 6x to Rs. 8.1 Cr in Q2 FY27**
- The company continued to **invest in supply, product and customer experience,** with emerging product-market fit in Hotels.
