Strengthening Consumer Connect and Brand Visibility

During the festive period, Style Bazaar continued to enhance consumer engagement through differentiated brand initiatives. As part of its festive campaign, Style Bazaar created the **World's Largest Fashion Wardrobe**, a 50 ft. x 25 ft. installation at City Centre, Salt Lake, Bidhannagar. The installation received a **Guinness World Record™** title and provided a high-visibility platform to showcase the Company's festive collection and brand proposition.

The initiative was aimed at creating a larger consumer experience around fashion, celebration and the Style Bazaar brand, while strengthening visibility during the festive season.

Building Wider Consumer Association

The Company also expanded its consumer engagement through **sports-led brand association**, becoming the Principal Partner for **India's international football** matches against **Brazil**, a five-time FIFA World Cup champion, and **Uruguay**, a two-time FIFA World Cup champion, to be held in Kolkata.

The association provides Style Bazaar with an opportunity to engage with a broader audience through a platform centred around youth, culture and shared experiences, complementing its broader efforts to build brand visibility across Bharat.

With an expanding retail network, increasing market reach and continued investments in consumer engagement and operating capabilities, Baazar Style Retail remains focused on building a scalable and sustainable value-fashion platform, while balancing growth with store productivity and operational efficiency.
