Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, regarding current production capacity of the Company's manufacturing plants

Dear Madam/Sir,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the Company's manufacturing plants, RFL-I and RFL-II, located at 326-327, MIE, Bahadurgarh, Haryana, were constructed in 1994 and 1999 respectively and are now over 25 years old. To enhance the infrastructure, ensure safety compliance, and leverage increased Floor Area Ratio (FAR) for future expansion, the management is in the process of reconstruction and renovation of these plants.

Further, in line with evolving market trends, the Company is actively expanding into the fashionable footwear segment. The production of fashion-forward footwear requires specialized production lines and involves more complex manufacturing processes. This product-mix transition necessitates modifications to conventional assembly layouts and workflows, representing a key structural factor influencing the daily output capacity.

Consequent to the aforesaid reasons, the total manufacturing capacity across all the plants has been reassessed / optimised as 9,10,000 pairs per day from the previous capacity of 10,50,000 pairs per day.

The same is for your information and record please.

Thanking You,

For **Relaxo Footwears Limited**,

Ankit Jain
Company Secretary and Compliance Officer
