RATING ACTION/OUTLOOK/NATURE OF NON-COOPERATION

Brickwork Ratings (BWR) reaffirms the ratings on various debt instruments of Reliance Home Finance Ltd. (RHFL or the Company) to 'BWR D/ Continues to be in ISSUER NOT COOPERATING* category', as tabulated above. The minimum requisite information for a rating review was not provided by the company for the rating review. In the absence of adequate information, BWR is unable to assess the company's overall credit risk profile and its ability to service its debt and maintain a valid rating.

The lenders/investors may note to exercise due caution while using the above rating which mentions "Issuer Not Cooperating" since the rating lacks any projections or forward-looking component as it is arrived at based on the best available information without any management/debenture trustees interaction.

An update on the resolution plan of the company was noted in the BWR rating rationale dated 03 November 2023. There were 8 ISINs which remained unresolved and interest on the same were not paid, hence the account continued in default category. BWR also notes the updates on resolution of some of the ISINs from the public domain on 19 July 2024. As of 16 Oct 2025, BWR notes a few of the ISINs (detailed as per Annexure II) continue to remain outstanding and live as per Debenture Trustee feedback. BWR awaits the documents/ information for confirmation of nil outstanding liabilities on the rated debt issues.

LIMITATIONS OF THE RATING

Information availability risk is a key factor in the assessment of credit risk as generally, noncooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress.
